Better Planning Network Inc.

Treasurers Report for the year ended 30th June 2026

The balance in the BNP accounts at 30.6.26 was $8,879

Members contributions for the year were $1,580.

Total expenditure for the year was $639 as the Leadership Group continued to make savings where technology allowed.

It is my opinion that Better Planning Network Inc is a going concern, and is able to pay its debts as and when they fall due.

Lynne Spencer

Treasurer
